GENERAL ELECTION
VOTER GUIDE 2024

HOME-PAC, the political action committee of the Greater Houston Builders Association, is an essential part of GHBA's advocacy program.

HOME-PAC directs financial support of the homebuilding industry and is committed to protecting housing affordability and consumer choices. Through your contribution, we are able to pool our resources and unite to support the best qualified, pro-housing candidates for local and state office. GHBA's HOME-PAC empowers our members to help shape the political environment and elect candidates who will support our industry's goal to provide Texans the opportunity to realize the dream of homeownership.

The following is HOME-PAC's voter guide for the 2024 November general elections. Not all candidates will be on your ballot. For more information about where and when you can vote as well as a copy of your sample ballot, please visit the elections office for the county in which you reside. County election links are listed in the County Officials section of this guide.
