### Additional Voting Resources

The GHBA's HOME-PAC only endorses and contributes to state and local elected officials and candidates in our Houston-area delegation. These elected offices include state senators, state representatives, county commissioners' courts, city councils and mayors. There are far more elected offices on the ballot though. With some people's ballots having more than 50 choices, it is important that voters complete their ballots. Please see the links below for information on races outside of what the GHBA HOME-PAC endorses:
